The CMY Primary Mixing Wheel™ and workbook were designed to:

- Provide a guide for mixing color pigments.
- Illustrate color relationships and schemes: Complements, split complements, tetrads, triads and analogous colors.
- Illustrate color contrasts: Complementary colors, tints, tones, and shades.
- Available in two sizes: Wheel 7 3/4" diameter and workbook 7" x 8"
  Wheel 5 1/8" diameter and workbook 5" x 6"

Works for all media, as long as pigments are consistent with recommendations (list included).

Color mixing for artists, designers, artisans, students, and amateurs.
