

Use Your Own Colors To CREATE-A-COLOR™ WHEEL

An uncolored
Color Wheel
Ready for you to
paint your own
favorite colors.

EACH WHEEL PROVIDES:

- A practical, hands-on, tool for teaching painting, color mixing, and color relationships.
- Use your favorite medium — oil colors, acrylics, pastels, watercolors, etc.
- A simple method to develop a unique Color Wheel for any application.

ADDED FEATURES INCLUDE:

A gray scale and glossary of important terms with definitions of frequently used color concepts. Simple instructions for mixing secondary and intermediate colors as well as tints, tones, shades, and complements.
