

THE GARDENER'S COLOR WHEEL

A Guide to Using Color in the Garden

Designed to help create exciting color combinations for the garden and understand color relationships.

9 1/4 inches in diameter

8 1/2 inches square

- ☞ Two-sided rotating wheel shows color relationships.
- ☞ UV coated to minimize fading and protect from moisture.
- ☞ Eight page illustrated booklet includes important definitions and examples.

Developed by Sydney Eddison, author of six books on gardening, and frequent contributor to other horticultural publications. Sydney is also an avid gardener and popular speaker at flower shows, conferences, and garden clubs.
